

2008

Dear Ashwaubenon Lions Football Fans:

Ashwaubenon Lions Youth Football is currently soliciting for program sponsors for the 2008 season. Our tackle football program served close to 100 7<sup>th</sup> and 8<sup>th</sup> grade boys from our community last year. Our registration fees paid by the players are minimal; this helps make the program available to as many youths as possible. However, it also creates a budget deficit. Our annual expenses exceed \$35,000.00, but the registration fees only generate around \$10,000.00. The balance of our revenues comes from the gate admissions, concessions, and sponsorship donations! It's our generous sponsors that have helped us to close the financial loop and allow our program to function. In return for your sponsorship we place your business advertisement in our program. We have enclosed our advertising rate sheet for your review.

In closing, on behalf of the Ashwaubenon Lions Youth Football we thank you for considering participation in our program. Go Lions!

Respectfully,

Ashwaubenon Lions Football
